About This Game

What is **DEEP SPACE**?

DEEP SPACE - a new game from BUG-Studio representing hardcore-endless Sci-fi platformer, which generates new levels on the go! Each new level will not be like the past!

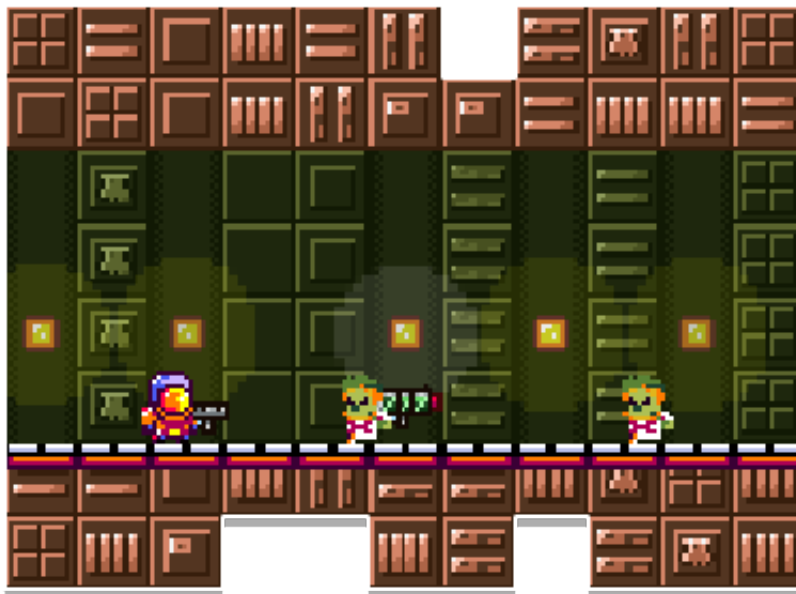

What's the game about?

You are one of the members of the **DeTeam** team, which controls the safety of scientific stations, which are various experiments of scientists.

If there was a leak of the virus and everyone at the station got infected, it's your time!

Grab your gun, jump into the spaceship and go to a new sweep!

Be careful... The **DeTeam** team is top secret! If you die, no one will remember you...

Features:

- Fully generated levels, traps, monsters! It will be fun, interesting and challenging!
 - Ability to buy and pump guns and improvements!
- Dynamic and challenging gameplay! Are you sure you can?
 - Dynamic soundtrack by HateBit! Turn it up!
